

Eli Hizkiyev

Eli Hizkiyev is Senior Vice President of ControlGuard, a division of Swedish company The Cryptzone Group. In his current role Hizkyev is responsible for worldwide sales of ControlGuard's endpoint security products line and for managing the Cryptzone ControlGuard operations in Israel.

Hizkiyev has 25 years experience in the software industry working with leading information technology companies and during his career he has established a wealth of experience and a strong track record in sales leadership and operations management. Prior to joining ControlGuard as General Manager and Vice President International Sales, he worked for Computer Associates as VP of Sales in Israel, and also founded consultancy Corebiz providing account management services to large organizations. Previously he worked for Hitachi where he held a number of technical and management positions.

Hizkiyev studied computer science at Tel Aviv University.
