

## Cryptzone joins Microsoft's SecureIT Alliance

**Gothenburg 26th March 2008 – Cryptzone, the Nordics leading supplier of Data Leak Prevention solutions, today announced that it has today been selected to join SecureIT Alliance formed by Microsoft - an alliance established to help security companies more easily and efficiently interoperate with the Microsoft platform.**

Cryptzone will work with Microsoft and the alliance partners to increase customer awareness around security products and partnerships as well as increase industry collaboration to ease building enhanced security solutions. All members of the alliance are dedicated to providing enhanced security solutions to benefit customers.

"The SecureIT Alliance is an important industry initiative and we recognize the strategic value of being a member," said Rami Avidan, COO at Cryptzone. "Our involvement strengthens our existing partnership with Microsoft and other leading security technology providers and we look forward to working with the members to develop innovative security products that provide our customer with the best possible solution."

**About Cryptzone:**

Cryptzone is a recognized leader in data leak prevention solutions that secure data at rest and in transit by applying the industry strength Simple Encryption Platform (SEP). Cryptzone provides security solutions that people and companies actually can and will use, thereby increasing the overall data protection and minimizing data leaks. Cryptzone secures email, files, folders, disks, USB sticks and mobile terminals without forcing users to change the way they work, while giving IT departments' central control of user rights. The company has offices in Gothenburg, Sweden, New York, US, and Munich, Germany. For more information about Cryptzone and the company's portfolio of data leak prevention and encryption solutions, visit [www.cryptzone.com](http://www.cryptzone.com)

Cryptzone is now listed and trading on First North. First North is an alternative market, operated by the different exchanges within NASDAQ OMX. Certified Adviser on First North: Thenberg & Kinde Fondkommission AB, Phone: +46 (0) 31-745 50 00.
